## Worship

*“...we unite for the worship of God...”*

Worship is central to life at MCC. Attendance in worship has grown over the past year as inspired sermons, creative and interactive faith experiences, and a vibrant and diverse music ministry have fed the spiritual needs of our members and greater community. In FY2020, we hope to continue enriching worship at MCC and growing our youth, adult, and family ministries.

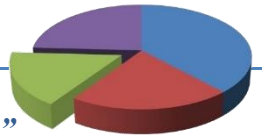

## Reaching Out

*“...and the service of humanity...”*

Our faith compels us to share God’s love by welcoming all and helping build the kingdom of God on Earth. Over the past year, through initiatives like Crop Walk, Family Promise, Open Table, and our broader ministry through the UCC, MCC tended to the hungry, the thirsty, the stranger, the naked, the infirm, and the oppressed. In FY2020, we hope to explore new ways to reach out and live out Jesus' call to love our neighbors as ourselves.

## Serving our Church Community

*“...and as the Lord’s free people, we agree to walk together...”*

We are a family, with all the joys, quirks, and challenges of any family. But we are family that loves and cares deeply for each other and all who come our way. There is a profound joy and comfort to be found in the fellowship and ministry of our one-to-one visits, church-wide social events, and everything in between. In FY2020, we hope to continue growing this ministry so that everyone in our church family feels loved and connected.

## Developing Spiritually

*“...in all God’s ways, made known or to be made known to us.”*

All of us are on a spiritual journey at MCC – from the unbeliever in search of something more to the most devout disciple. All of us are growing in our understanding of God and the life that God desires for us. MCC’s spiritual development programs offer pathways to growth and a deepening faith through Sunday School, book clubs, and youth, adult, and family programs. In FY2020, we hope to continue building out these vital ministries.
