Purpose [Reaching Out]

Welcoming all, we reach out in loving kindness and service to all humanity and creation.

FY2021 Budget: \$73,659

MCC invites all on a journey of acceptance, connection, meaning, and purpose through the worship of God and the service of humanity

Acceptance

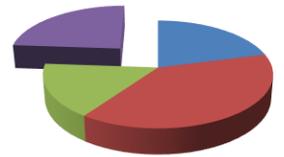

“...we love, serve, and celebrate each other...”

members – feels loved and accepted.

In a world that can be exclusionary and isolating, we unconditionally and joyfully welcome *all* people to share their unique gifts and challenges as part of our community. We strive to mirror the love of Christ during our one-to-one visits, church-wide social events, and everything in between. In FY2021, we hope to continue growing our ministry so that everyone – from first-time visitors to long-time

Connection

“...closer communion with God and each other.”

Beyond acceptance, we seek stronger connections with God and each other as we walk our spiritual path. At MCC, spiritual development programs from Sunday School, to book clubs, to youth, adult, and family programs are designed to build connections for everyone from the unbeliever in search of something more meaningful in life to the most devout disciple. In FY2021, we hope to continue expanding these vital ministries.

Meaning

“...discover the deeper meaning underpinning our lives.”

The search for greater meaning in life is the challenge of our times. At MCC, life’s meaning is made clear through inspired sermons, creative and interactive faith experiences, and a vibrant and diverse music ministry. In FY2021, we hope to continue sharing God’s love, peace, joy, and yes, challenge, through meaningful worship experiences at MCC and in partnership with our fellow faith communities.

Purpose

“...we reach out in loving kindness and service...”

Accepted, connected, and grounded in meaning, we live out our purpose by sharing God’s love in tangible actions that help the hungry, the stranger, the poor, the sick, and the oppressed in our midst and around the world. MCC initiatives like Crop Walk, Family Promise, Open Table, and our broader outreach ministries make our faith real. In FY2021, we hope to further our efforts to live out Jesus’ call to love our neighbors as ourselves.
